

KINGDOM DREAMERS

Key: B

Verse 1

 B
Could it be, that a move of God is coming
 G#m
Can you feel, all the ground beneath us shaking
 E F#
Let it be this day on Earth, 'cause we're all kingdom dreamers

Could it be, we'll see miracles and healings
As we pray, You will shatter all addictions
Let it be this day on Earth, 'cause we're all kingdom dreamers
 E F#
God let your will be done

Chorus 1:

B
Heaven come down, God let your fire fall
F#
Heaven come down, we sing your kingdom song
G#m E B F#
Open up the gates, we can see the king is coming

Verse 2:

Could it be, we will stand here undivided
All will see, we're your holy church united
Let it be this day on Earth, 'cause we're all kingdom dreamers
Could it be, that the darkness will be silenced
On our streets, there'll be peace instead of violence
Let it be this day on Earth, 'cause we're all kingdom dreamers
God let Your will be done

Chorus 2:

Heaven come down, God let your fire fall
Heaven come down, We sing your kingdom song
Open up the gates, We can see the king is coming
Singing it loud these are revival days
Sing it out loud, freedom is on its way
Open up the gates, We can see the king is coming
