

FIGHTING BACK

Key: E

Verse 1

E
I'm fighting back, with a song of praise
I'm fighting back, lifting up Your name
C#m A
My quiet voice, can make mountains shake.
E/G# A B
Jesus, turn my fear to faith.

And when there's death, Jesus You are life,
When I'm alone, You are by my side.
I'll look to You, in the darkest night
You have shown me how to fight:

Chorus

C#m A
When I'm afraid, I will lift You up.
E B
Jesus my hope, You're the one I love
A E
I'll shout Your name, and I'll never stop
C#m B E (repeated: C#m)
Let my praise be loud, on this battleground, Jesus.

Verse 2

Now is the time, voices join as one
In scattered rooms, let Your kingdom come
Your holy church, sings in unison
And this praise is our weapon

Bridge

E B C#m
We do not grieve, like those without hope
A E
Death's not the end, it's You calling us home.
E B C#m
And there's no pow'r, You can't overcome,
A E
(Cause) You took on death, and then Jesus You won.
